# Statement of Maintenance Capability List

All the items listed in the maintenance capability list should not exceed the approved item scope in the CAAC certificate.

(Certificate No. F00100400 ) **The Nordam Group, Inc., Nacelle and Thrust Reverser Systems Division** ensures that the facilities, tools and equipment, airworthiness data, and personnel should be provided for carrying out the maintenance work listed in the maintenance capability list, the developed working procedures conform with the requirements of CCAR145 at any time.

Any change or update of the maintenance capability list should be submitted to CAAC for approval.
